ABN AMRO Investment Solutions appoints Christophe Boucher as Chief Investment Officer

Paris, January 10, 2023 - ABN AMRO Investment Solutions (AAIS), the asset management company of the ABN AMRO Bank N.V. group, announces the appointment of Christophe Boucher as Chief Investment Officer.

As part of the role, Christophe Boucher, 45, will supervise investment teams including ESG, Manager Due Diligence (MDD), Operational Due Diligence (ODD), Portfolio Management and the Quantitative Research teams. He takes responsibility for the firm's robust investment process and will lead the investment strategy through a combined qualitative and quantitative approach.

François-Xavier Gennetais, CEO of ABN AMRO Investment Solutions, comments: *"2023 opens a new chapter for ABN AMRO Investment Solutions. The appointment of Christophe Boucher as our new CIO is supporting our ambition to be the leading sustainable multimanager and sub-advisory platform in continental Europe. We will continue to grow by delivering best in class products and solutions through our open architecture setup."*

As part of his role, Christophe Boucher will continue to manage a team of top-notch quantitative analysts covering all asset classes. He will monitor the investment processes aimed at determining both strategic and tactical allocation opportunities as well as securities/manager selection and portfolio construction. Christophe Boucher will pursue AAIS' ambitions on ESG mostly through the selection of sustainable strategies, the "ESG originals", which have responsible investing in their DNA and are driving the market toward best practices.

Christophe Boucher is an Agrégé Professor in Economics and Finance. He graduated in Economics and in Finance and holds a PhD in Economics in 2006 from University Paris XIII. He has published several analyses in newspapers and academic journals.

He also received the "Young Economist Award" in 2006 from the European Economic Association and the "Young Researcher in Economics Prize" from the Banque de France Foundation in 2010.
